

Firewood Collection

In accordance with AR 200-3 and the Fort Eustis Integrated Natural Resources Management Plan, firewood may not be collected on this post without a permit. Permits are issued during the work day at the Conservation Branch office, Building 1409, located on Mulberry Island Road. Permits cost \$10 per pickup truck load, payable by check or money order. Live trees may not be felled. Proceeds from permit sales are used to manage the forest resource at Fort Eustis.
